# Central Carolina Driving Club

*December 2011*

## ***President's Message:***

*The Moore County Driving Club is moving the Carriage Classic to Claire Reed's Farm in Southern Pines. They will be offering driven dressage for the first time in many years. We've had a request to hold a dressage clinic to help our members prepare. I plan to organize one in the spring. Does anyone have a flat area large enough for a driven dressage arena? It needs to be at least 40 meters X 80 meters. Pat and Gail Riley have one here in Greene County but I know the Raleigh folks prefer not to travel. Also, any suggestions on preferred clinicians? Claudia Coombs, a former member who has competed in advanced CDEs and now teaches ridden dressage has offered to help. Any other requests?*

*Congratulations to Jacob Arnold, son of former members Mike and Penny Arnold. Jacob was named the USEF Junior Equestrian of the Year earlier this week! We can all say "We knew him when...." since when we first met Jacob he was just learning to drive with a small, not so fast pony. Now he's competing in CDEs internationally with the family's faithful Morgan, Shadow. You may also remember Shadow with Dad, Mike, driving in numerous pleasure driving shows throughout our area.*

*Happy Holidays to everyone. Lets hope 2012 is a great one - at least better than 2011! Linda*

### ***Remember.....***

On behalf of CCDC I applied for and received a "Special Use Permit" to allow carriage driving at Umstead Park! The trails there are smooth and wide so they are great for carriages. If you haven't ever ridden on the trails, you may want to ride there first (or go with someone who knows the trails) since a few of the bridges are a little narrow. Your carriage will fit but since you can drive for miles without the risk, you may want to avoid those areas. The park has a nice trailer parking area complete with drinking water for horses and people, restrooms and picnic tables. After heavy rain the parking area may be muddy. Call ahead to make sure it is ok. There are some rules! Please follow them so we can enjoy this resource.

1. Monday - Thursday only! The trails are heavily used by bikes, walkers, baby strollers, runners, riders etc on the weekends.
2. Call a day ahead to arrange for a ranger to meet you to unlock the gate. Riders can follow the trail around the gate but the gate must be opened to let carriages in.
3. Stop at the visitors center to sign in and let them know you are ready for the gate to be opened.
4. ALL HORSES ENTERING THE PARK MUST HAVE A NEGATIVE COGGINS and show it at the visitors center. They will make a copy and keep it on file. After the first time your name will be in the computer so check-in goes pretty fast.
- 5 Single horses only. Vehicles less than 6 feet wide.
6. Use only designated Bike and Bridle trails. Hiking trails are off limits.
7. Horses at the park should be reasonably accustomed to bikes, dogs on leashes and baby strollers!

I would love to have any links that members feel are important, pictures from past (and recent) events, and maybe a write up on any of the recent activities. If people have any comments or changes for the website I would love to hear about them.

Pictures of events and photo bylines would be great...we'll republish the guidelines ...see below

Picture Guidelines-Thanks!

Jim Bell has agreed to create a page on our website for pictures of our members and their driving equines. He needs electronic photos - preferably resized (not 3 mb), but he can resize them if he needs to. I would suggest a brief write-up of the picture including the name of the person/people in the cart/carriage, the name of the equine (registered and call names), the type of equine, the type of vehicle being driven and the location where the picture was taken if applicable (such as the name of farm, event venue etc.)

## Member Highlights!

### Junior Equestrian of the Year

Jacob Arnold. Photo by Joanie Morris/USEF Archive.

Jacob Arnold has embraced the sport of combined driving with maturity beyond his years and has quickly become a young force with which to be reckoned. From the age of eight, Arnold immediately took to the sport - one that traditionally boasts an older demographic. Today, he is already producing top results and represents an exciting future for his sport.

He started his combined driving competition career driving the family's Morgan mare, Spring Hollow Dark Shadow, in the Training Level Single Horse division, when he was 14. He progressed through the ranks to the FEI level in February 2010, two weeks after turning 17. One year later, he won his first Single Horse CAI (International Combined Driving competition) two weeks after turning 18 at the CAI-B Little Everglades International CDE at in Dade City, FL. He has had a meteoric rise in a sport that takes decades to master.

Arnold spent part of the past summer in Europe gaining valuable experience while competing at the CAIO in Hungary and serving as groom at the World Pony Championships in Slovenia. Through the USEF/USEF training sessions, he has been afforded instruction from some of the world's top drivers. His hard work and determination has earned him an invitation to compete at the Arctic Equestrian Games International Single Driving Challenge in Oslo, Norway, in February 2012. USEF Driving Coach Michael Freund described Arnold's Cones driving as "unbelievable," adding, "You won't hear me say that very often."

Continuing in his pursuit of excellence, Arnold is now working toward his goal of being a member of the U.S. Team for the FEI World Singles Driving Championship in 2012.
