NOTICE:

Please! Check it out!

I would love to have any links that members feel are important, pictures from past (and recent) events, and maybe a write up on any of the recent activities. If people have any comments or changes for the website I would love to hear about them.

Pictures of events and photo bylines would be great...we'll republish the guidelines ...see below

www.carolinadriving.net/ccdc

Picture Guidelines-Thanks!

Jim Bell has agreed to create a page on our website for pictures of our members and their driving equines. He needs electronic photos - preferably resized (not 3 mb), but he can resize them if he needs to. I would suggest a brief write-up of the picture including the name of the person/people in the cart/carriage, the name of the equine (registered and call names), the type of equine, the type of vehicle being driven and the location where the picture was taken if applicable (such as the name of farm, event venue etc.)

End Carriage Horse Suffering in New York

- **Target:** Mayor Bloomberg
- **Sponsored by:** Care2.com

When a New York City carriage horse named Smoothie heard loud drumming in Central Park, she became startled and galloped onto the sidewalk and between two poles that caught her carriage. She struggled to keep running but eventually collapsed and died. Another horse startled by the noise ran into the street and collided with a car.

Carriage horses in New York City ache and wear down their hooves hauling 1200 pound carriages in the bitter cold and sweltering heat, constantly inhaling toxic car exhaust. They suffer from exhaustion because at night, they can't lie down comfortably in their tiny, feces-filled stalls.

Additionally, horses cause traffic jams and accidents, and congest an already crowded part of the city.

Horses need socialization, pastures to graze in and miles of open space to run -- they don't belong in the hustle and bustle of New York City. We can end their suffering: **tell Mayor Bloomberg to outlaw cruel horse-drawn carriages in New York City.**
