

Central Carolina Driving Club

March 2009

President's Message:

Marilyn Davenport and I have obtained permission to use "The Farm" at Wilson Mills for a club event. I rode the trails last month and they are in pretty good shape. In fact, one loop that has not been accessible for driving for several years is now open and in great shape! The best month to drive at "The Farm" to avoid ticks or deer flies is April. The only day in April that works for me is April 11. I know that is the Saturday of Easter weekend but a good thing is that many of us have Friday off.

To have a drive there we need a workday on Friday 4/10. Anyone willing to help move some trees, lop some limbs and put up course markers should call me for directions and plan to meet me at "The Farm" at 10 am on 4/10.

We'll have a drive/ride/Easter Egg Hunt over a 6-8 mile course on Saturday 4/11 beginning at 10 am. Riders must go out in pairs or small groups (no singles, please!) and drivers must have a navigator. There will be at least 1 water crossing, miles of wooded trails, some hills and some open fields on the course. Riding horses should be accustomed to seeing carriages! The cost is \$20/ turnout or rider. Invite your friends!!!

After the drive/ride we'll have a covered dish lunch and club meeting. The club will provide drinks and paper products. We need to elect officers and decide on whether or not to have a show this year.

Thanks! LCS

Calling All Participants!

2010 Alltech FEI World Equestrian Games – Lexington, KY September 25 – October 10, 2010

The United States is allotted nine slots for the event as it is the host nation.

New Access to The Walthour-Moss Foundation – Reported by The Foundation News (Nov. Issue)

The Walthour-Moss Foundation has received seven (7) additional gifts of land access into the The Foundation since Cameron Slade donated Compton Crossing last March. This is a great benefit to our community since it guarantees seven (7) more access points for equestrian use: Dick Cavedo granted access across his farm connecting to Weymouth Woods. Nick and Effie Ellis granted access from Youngs Road into The Walthour-Moss Foundation. Eric and Kendyl Janis gave access that connects Sheldon Road down to the 100' Foot Mile Away Farm

easement. The Mile Away Farm heirs have given a 100' foot easement along the back of the properties on which new horse farms are being created. This will create nearly a mile of trail from Compton's Crossing to Fireland Two. Camilla Vance-Holmes and Bill Holmes have given an access gift located that connects the Foundation North Country to Aiken Road. Dick and Anne Webb gave access from Yadkin Road to the Foundation. This gift is indeed generous and the equine community is truly blessed to be the recipient of such because it ensures that access to The Walthour-Moss Foundation is protected for future generations!

Picture Guidelines-Thanks Connie!

Jim Bell has agreed to create a page on our website for pictures of our members and their driving equines. He needs electronic photos - preferably resized (not 3 mb), but he can resize them if he needs to. I would suggest a brief write-up of the picture including the name of the person/people in the cart/carriage, the name of the equine (registered and call names), the type of equine, the type of vehicle being driven and the location where the picture was taken if applicable (such as the name of a certain driving event).

Additionally, please send me the info as well:

The American Scurry Challenge....Have You Heard About It?

Hello all

I wanted to pipe in here and tell everyone what the ASC is & how I run the event.

First it is nothing like British scurry driving!

This event has a "standard" cones setting, these cones settings are the same for each event.

The cones are set at 6 feet apart for everyone!

The course is run on an optimal time. Closest to the optimal time "without" going under that time wins.

The time is given out the day of the event. I can adjust the time for a slow or fast run.

Normal times for horses are between 45 seconds to 85 seconds, ponies 55 seconds to 95 mini's 60 seconds to 110.

This event has 3 divisions Horse/Pony/Mini

You get 2 runs at the course, your closet time to the optimal time counts

This event is open to singles & multiples.

Any ball down on the course = elimination for that round.

The course is available on my website for anyone to download and set up!

This course is great fun, low pressure & is a good training event for any level horse & driver.

I want this to be a "FUN" event! If you can't make it out to drive come and watch.

Please try and help us get the word out and tell people about this new event.

Any club or person is welcome to set up a course and try it. We are hoping this will spread country wide.

Email me for an entry form & directions.

Email me if you need more information on this event also.

Robert
